The Principal, Madam Hadija Ali Abdalla

Kisauni Youth Polytechnic was established in 1968 at Majengo. It has grown through many phases and in 1990, Kisauni Youth Polytechnic was amongst the 64 youth polytechnics all over Kenya upgraded to offer Artisan courses. It has helped many a thousands students in finding a dignified way of living by getting a job or through self employment. Kisauni Youth Polytechnic is a Community Managed Institution and has survived mainly on supports from community, Government grants, and help from friends locally and from abroad. It has evolved into its present form through consistent betterment of its various services and skill up gradation courses.
